SECURING A BRIGHT FUTURE  
TRINITY SCHOOL OF MIDLAND

## Envisioning the Future of Trinity School of Midland

With the growth of Trinity School of Midland to include grades PreK-3 through 12 and having celebrated 30 years of graduates in 2020, we must act now to meet the needs of our larger population through a campus that promotes an enriching education with spaces to gather, worship, experiment, and pursue activities that develop the whole child.

The project fosters collaboration, enhances safety, upgrades the Lower School entry, and deepens Trinity's impact in Midland.
